

Recital Guidelines

- **Recital tickets are on sale at Tamalyn's Dance Centre for \$5.00. Everyone needs a ticket to enter the Auditorium, excluding performers. Tickets are available at TDC until 8:00pm Saturday, May 11. After this, you may purchase tickets during your dress rehearsal or at the door on May 18.**
- Put your child's name on all pieces of his/her costume and shoes.
- In all ballet dances, a ballet bun is required. For tap, contemporary, hip hop & jazz, check with the instructor if you do not know. ***Do not add any extra hair decorations***, only those that came with the costume. Stage make-up is needed due to the bright stage lights.
- Bring something to keep your child occupied while he/she waits to perform (i.e. book, quiet game, coloring sheets with crayons, or toy).
- Bring a towel/blanket (with your name on it) for your child to sit on the floor while waiting in the dressing room, as we do not have access to chairs.
- **PARENTS-** Return to the audience once your dancer is in her specified place backstage. Each young group will have someone to stay with them. Look for your dancer's class posted on the wall outside the classroom. We will show you how to GET BACKSTAGE during dress rehearsal. **NO ONE needs to come backstage during the performance -WAIT UNTIL INTERMISSION.**
- If you are in the first half of the show (before intermission), have your dancer ready backstage 20 minutes early. If you are in the second half (after intermission), please be in the audience and bring your dancer backstage during intermission. **Cover up the costume while in the audience, to keep it a surprise.**
- We need to be considerate of all performers. **DO NOT MOVE AROUND DURING THE RECITAL.** We allow time to go to and from backstage during INTERMISSION.
- **No food, candy or drinks backstage or in audience!** This is a Claflin University request.
- Beautiful Rose Bouquets will be for sale in the lobby with **ALL** profits going to the Orangeburg Civic Ballet, our non-profit dance organization. **Please support OCB by purchasing your roses from them! You can pre-order your rose bouquet until Wednesday, May 15.** * A pre-order form is available on website or may be picked up at the front desk.
