

RECITAL PICTURE DAY IS ON THE WAY!!!

We are going to have our beautiful 2019 Wall Display made of our students during each class's scheduled time. We would love to have photographs of all our students for our display! (It costs nothing to be in the group picture.)

Please come to the photo shoot with any costume changes, shoes, and tights, prepared to be photographed. (Remember bobby pins and safety pins always come in handy.) I encourage some make-up due to the bright lights used by the photographer.

Don't forget your BIG Smile!

If you choose to purchase a package, you will pay for your it when your child is photographed.

Each dancer will have 3 poses which can be a costume change per pose, or add a family member to the picture.

Your package is \$50.00 and will include:

***One 8x10**

***Three 5x7**

***Three 4x5**

***Six Wallets**

***One Group**

You may add additional poses for \$10.00 (you receive a full sheet) per pose. You may purchase a group picture individually, also. Ask about the sibling package!

The photographer has many wonderful props for the dancers to use during their photo shoot!

Please give your check or cash to the photographer when your child is photographed.

Please make checks payable to Scott Davis.

The photographer DOES NOT accept Debit or Credit cards.
